

MESA URBAN

Um serviço de mesa com um design contemporâneo perfeito para a vida citadina, formado por belas e funcionais peças. As suas formas cilíndricas são suavizadas por bases redondas. Os pratos e as taças possuem tamanhos generosos, com uma combinação de cores fabulosa e moderna, em vidros semi-mate e com brilho.

A contemporary tableware design perfect for city living, with a full range of beautiful and functional stacking pieces. Clean cylindrical forms are softened by gently rounded bases. Generous size plates and bowls in fabulous on trend colour combinations with semi matt and gloss stoneware glazes. A timeless modern classic design in stoneware. Dine and entertain with urban style.
